COMPETITION RULES

WORDS OF WELCOME

Sergey Soloveychik

President

European Judo Union

Dear Judo Friends,

This year the European U23 Championship is organised by the Bulgarian Judo Federation that appointed the city of Samokov as the venue for the 11th edition of this type of event.

Three years ago Samokov hosted the Junior European Championship. The Champions in 2010 among others were Kim Polling, Majlinda Kelmendi and Avtandil Tchrikishvili, who all became leaders in the senior world ranking list this year and medallists at the recent World Championships in Rio.

Last year's winner Lukas Krpalek also reached the World's leading position U100 kg not long after he won the European U23 champion title. Judo history proves, this age is essential to make the last step at senior level and reach the ultimate goal. Many medallists of European U23 Championship such as Tagir Khaibulaev and Mansur Isaev have already managed to win a medal at the Olympic Games. I am sure many young judoka inspired by such examples will try to reach their highest performance this year.

On behalf of the European Judo Union, I sincerely welcome all the participants and guests of the European U23 Championship in Samokov, Bulgaria! May everyone enjoy the competition in this picturesque mountain region, and let the strongest win.

Ivan Vasilev

President

Bulgarian Judo Federation

Dear Judo Friends,

Judo Federation of Bulgaria is going to proudly host the European Judo Championships U-23 Women & Men 2013 from November 15th to 17th in Samokov. On behalf of our Federation I am honoured to invite all distinguished members of EJU to this event and to our beautiful country.

I would like to take this opportunity to welcome all delegations of the participating federations, wishing them success and great performances in the name of Judo. Samokov will send you back to your countries with fantastic impressions and with a strong desire to come back again!

See you in Bulgaria and Samokov!

1. General Technical Information

1.1 Dates & Venue

The European Championships U23 will be held on **Friday 15th, Saturday 16th and Sunday 17th of November 2013** in **Samokov, Bulgaria**.

Each Delegation will be given a number of free accreditations depending on the number of athletes:

5. Anti-Doping (extracts from EJU Medical Handbook)

5.1 SELECTION OF ATHLETES

From every category the Gold Medal Winner and one Medallist (has to be drawn) will be selected for a doping test (two tests per weight category).

5.2 NOTIFICATION OF ATHLETES AND TIME SCHEDULE

The summons for the doping test is handed by an escort chief of chaperons or EJU doctor to the competitor selected to the doping control after her/his last contest, when the competitor is leaving the restricted area. Another system to give the notification to the competitor can be used if EJU Doctor, Sports Director in charge and Chief of Chaperons so decides. The Notification Form to the competitor has to be handed latest when the competitor comes down from the podium after the Award Ceremony. The escort writes the time on the form. The competitor must sign the form and have a copy. The escort gives the original one to the doping control staff, who records the actual time of arrival on the summons, signs it and verifies the identity of the competitor (ID card, passport ...). The competitor has to register by maximum 60 min. after she/he has signed the notification form (including press) at the doping control station. The escort has to be physically beside the competitor and keep the competitor under observation (visible) all the time and accompany her/him to the waiting room at the Doping Control Station (DCS). Interruption of the doping control procedure is allowed only for victory ceremonies. During the interruption the competitor has to be under observation of the escorts at all times. A person may accompany the competitor to the Doping Control Station and may watch all procedures except urination.

5.3 SAMPLE TAKING PROCEDURE

Only one competitor at a time shall be called into the test room (= working room, consulting area).

The competitor shall select by her/himself a urine collection vessel and check it. After that she/he goes into the toilet accompanied by DCO. She/he has to wash her/his hands without soap and dry them. Then she/he urinates a minimum of 90 ml into the collection vessel under observation of the Doping Control Officer who must be of the same gender as the competitor. After the collection vessel is full or minimum 90 ml urine has been produced she/he must empty her/his urinary bladder. Any clothing preventing the direct observation of the urination shall be removed.

When requested urine volume of 90 ml (minimum) has been provided, the competitor shall select a urine control kit, open and check it and pour by her/himself 30 ml (minimum) first into bottle B and then 60 ml (minimum) into bottle A. Few drops of urine shall remain in the collection vessel to check specific gravity. The competitor shall close the A and B bottles hermetically. The remaining urine is to be destroyed after sealing of bottles A and B. If the amount of urine is less than 75 ml, partial sample kit or temporary sealing is needed. If the amount of urine is less than 90 ml, partial sample kit or temporary sealing is needed. The specific gravity must be 1.010 or higher (stick) or 1.005 or higher in case of refractometer has been used. If not, another sample is needed. It is the responsibility of the Athlete to provide a Sample with a Suitable Specific Gravity for Analysis. If his/her first Sample is too dilute, he/she should not need further hydration and therefore should avoid drinking as far as possible until a Sample with a Suitable Specific Gravity for Analysis is provided. The DCO should continue to collect additional samples until the requirement for Suitable Specific Gravity for Analysis is met, or three tests have been collected. Such exceptional circumstances shall be documented accordingly by the EJU Doctor and the athlete might be called for a target test in the following days / weeks.

If it is determined that none of the Athlete's Samples meets the requirement for Suitable Specific Gravity for Analysis and the EJU doctor determines that for logistical reasons it is impossible to continue with the Sample Collection Session, the EJU doctor may end the

Sample Collection Session. In such circumstances, if appropriate the ADO may investigate a possible anti-doping rule violation. The competitor shall declare any medications, vitamins, herbal products, food supplements that were ingested in the previous 7 days. The competitor shall certify, by signing the protocol form, that the procedure has been performed according to the rules of EJU. Any irregularities e.g. problems to keep order etc. identified by the competitor, accompanying person, officers or EJU doctor shall be recorded.

The Doping Control Officer, accompanying person (if present) and EJU doctor (if present and seen the whole procedure) sign the Doping Control Record. The competitor shall be given a copy of the Form, and EJU doctor an original and rest of the copies of the form. After the test procedure he/she and the accompanying person must leave the station.
